I was taken into the jail held and wasn't cleared to be in  
the jail my wounds were septic, as I showed to staff they  
put me in medical away from all other people, my finger  
got dislocated while septic and they did nothing - showed it to  
the SAs - bedding and both said it looks Fed up and rotting  
off. Hurts like hell. When I did see a Deputy that was  
civil - he immediately sought professional help - I was seen by another  
nurse who immediately got medical attention and had me transported  
to hospital to x-ray finger - set and get to another  
doctor.  
That Deputy was taken from jail duty and put on  
- Road -!  
I was then transported to state custody...  
Linn County would not let me in the jail.  
Polk County medical isolated me for 3-4 wks till their DR. cleared me  
to be there...
